## NoTASEME Refrigerators

Stone lined, made of heavy ash with beveled panels. Solid brass nickel-plated lever locks. It will not break; it will not leak; it will not rust; it will not absorb dampness or germs; it has no seams, therefore it can have no cracks, to harbor uncleanliness; there is nothing to diminish the original circulation of cold air which is a feature of this celebrated refrigerator. The round corners enables this refrigeration to be easily cleaned, keeping it sweet and pure for foods. The construction of the Notaseme is such that it saves the ice bills and gives perfect refrigeration. See window display and get our prices.
